**February is a month for honoring histories, celebrating love in all its forms, and embracing the power of kindness and justice**

## Infrastructure

We aim to provide a safe and healthy environment to the children by instilling invaluable moral values. To this end, the Society ensures that the homes are airy spacious buildings with big playgrounds. At the Nanal Nagar campus, we have V.K.Dhage School (English Medium) upto Class VII. Children have access to a dedicated library and a computer lab. Sports facilities like a running track and a basketball court are available to nurture the sports talents. The society ensures that it provides quality food, clothing, school stationery, footwear, best medical care etc.

On 1<sup>st</sup> February, 2026 Children of V.K.Dhage School participated in Vibrant Art 9<sup>th</sup> Annual painting competition. 9 children won the competition.

**Our Aim:** To give every one of our children a happy childhood and a value based education.
